GEORGETOWN BUSINESS NETWORK AWARDS SCHOLARSHIPS TO LOCAL STUDENTS

Georgetown, Texas ... The Georgetown Business Network (GBN) is pleased to announce the recipients of their first annual scholarship program. We extend our congratulations to Genevieve Garcia and Grant Hales. These two local Georgetown High School seniors will each receive a \$1,000 scholarship at GBN's weekly breakfast meeting on April 26, 2011.

GBN recognizes the importance of continuing education especially for the young people in the Georgetown community. With that in mind, an annual scholarship fund was established in the fall of 2010 to award scholarships on the basis of scholastic achievement, community service, and their interest in the entrepreneurial spirit. Billy Kurtz, President and Co-Founder of GBN said, "The response to the program has been overwhelming. The scholarship fund is just another way local businesses can give back to the community. We congratulate both winners and wish them much success in their endeavors during their college years and beyond."

Ms. Garcia plans to attend Baylor University and study Biology, eventually pursuing a career as a Reconstructive Plastic Surgeon. Mr. Hales, will be attending Southern Methodist University in the fall and will study Music Therapy.

Georgetown Business Network is a progressive network of business owners and professionals dedicated to building successful businesses by establishing relationships within the group that positively benefit members and the Georgetown community. For more information about GBN visit www.gbntx.org.
